Mr. P. Mervyn Gunasekera
Managing Director
LAN Management Development Service

NUGEGODA
SRI LANKA.

Dear Mervyn,

I write this note to congratulate you and your team on the successful completion of the projects in Sri Lanka viz., Underwear Factory at Horana, Knitwear Factory at Nittambuwa and Fabric Testing Laboratory at Colombo – 02 under the name of Viyella Holdings Ceylon (Pvt) Ltd.

The Horana factory, at a project cost of Rs.155 Million was completed in seven months time despite the heavy rain we experienced during the construction period. The Nittambuwa factory, at the project cost of 182 Million was completed in eight months. When one considers that these two ultra modern factories, to international standards, were designed and constructed within such a short period, I must say that it is an achievement by any standard. This was possible because of the dedication and expertise your organization had under your able leadership.

Further, the challenges faced by us and the measures you took to counter it were appreciable.

I take this opportunity, on behalf of Coats Viyella Clothing, to thank you and your team for a job well done.

With best wishes and kind regards,

Yours sincerely,
